

## **GENERAL INFORMATION FOR LONG TOURS**

At your farmhouse we offer accommodation in 2 to 4 bed rooms. During the rides we sleep in simple accommodations where 2 to 6 people or even the whole group stay together in one room.

We reserve the right to change any itinerary due to weather, trail conditions and any other factor that may affect the safety of horses and riders. This will not reduce the quality of our tours.

Accidents happen! Our guests are encouraged to make sure their medical insurance is effective in Iceland, and we recommend purchasing travel insurance.

### **Necessary equipment**

- Sleeping bag
- Riding clothes, rubber boots, rubber riding boots or trekking shoes
- Warm clothes, but also t-shirts
- Gloves, hat or head-band
- Sun glasses and sun lotion
- Swim suit, towel
- Jogging trousers and slippers
- Camera

### **Attention!**

Please note that according to Icelandic regulations, riding clothes, boots and other objects which come into contact with horses must either be brand-new or accompanied by a veterinarian's certification that they have been disinfected. No used saddles and tack may be brought into Iceland.
